

Lincoln Area Enrollment Assister Locations

What is Enroll Nebraska?

Enroll Nebraska is a coalition of Nebraska organization, advocates, health care providers, and volunteers working to get more Nebraskans enrolled in health coverage.

What is an Enrollment Assister?

Enrollment Assisters are Navigators and Certified Application Counselors (CACs). These individuals provide in-person or remote assistance throughout the enrollment process through Healthcare.gov. They can help answer questions, walk through plan options, and help fill out applications for coverage.
