

Nebraska Get Covered Connector

Rollout Questions & Schedule

Schedule more appointments. Reach more people.

What is the Get Covered Connector?

- An online centralized enrollment assistance scheduling tool
- A way for consumers to find local help
- A way for assisters to promote, organize, and track their enrollment efforts

Where is it available?

The Connector is available for Nebraska enrollment assisters and can be accessed anywhere with internet. There will be an Enroll Nebraska branded widget located at EnrollNebraska.org/Local that will also be available for you to put on your website.

The screenshot shows a web widget for the Get Covered Connector. At the top right is the logo. Below it is a section titled "FIND LOCAL HELP" with a location pin icon. The text says: "Need help with your health insurance application? Enter your ZIP code below to find appointments with local application assisters." Below this is a search form with three fields: "Enter Your ZIP Code:" (with an input box), "Search Within:" (with a dropdown menu set to "10 miles"), and "Language:" (with a dropdown menu set to "All"). A blue "Search For Help" button is below the fields. At the bottom, it says "Brought to you by" followed by the ENROLL NEBRASKA logo.

When is it available?

The Connector is available for the first time in Nebraska this Open Enrollment Period (16-17). Find important training and rollout dates in the sidebar.

How much does it cost?

Nothing. The Connector is free for enrollment assisters in Nebraska through Enroll Nebraska.
